project
Upgrade of entry lobby to 55 Hunter Street complete with new cafe

construction features
All works were carried out while the 'A' Grade office block was fully occupied
Full café with all appliances
Feature lighting
Glass fronts to lift areas

project outline
To provide a new look to the entry lobby to 55 Hunter Street, CBD Projects were engaged by Incorp Interior Designs to carry out the works as a head contractor, the works included new glass lift fronts, purpose made joinery column casings, concierge desk and new lighting.
The formation of a new café was also part of this project, which included all the purpose made joinery, appliances, screens and services.
